

Trip Booking Process

You will be taken to a quick 2-step booking page. It'll only take about 10 minutes to complete the booking process.

Step #1: Complete the booking form by providing the following information.

Basic Contact information: name, email, date of birth, gender, address, phone number

Emergency Contact Information: name, phone number, relationship

Travel Insurance: Select whether you want to purchase travel insurance

Terms and Conditions: Check a box to confirm you read and accept the terms and conditions

Traveler Information: Choose number of people traveling in your party to include in the reservation

Land/Airfare: Select whether you want airfare included (purchased by YOLO and added to the total trip price - it will be the actual cost of the flight plus PayPal transaction fee)

Questions: Optional information – tell us if you have any questions or comments.

Click “Submit”

Step #2: Select a payment option, optional insurance and airfare, and pay.

Choose one of the Trip Options – choose a payment option, i.e., Full Payment or Standard Payment and Occupancy, i.e., Double Occupancy (share a room) or Single Occupancy (have your own room) by clicking “Add to Cart” for the appropriate trip option.

Then select whether you want optional airfare and optional travel insurance by clicking “Add to Cart” to have these items added to your shopping cart.

When finished, click “Checkout” and you'll be taken to PayPal to make your payment. We use PayPal for highly secure credit card transaction processing. You do not need a PayPal account to make a credit card payment. That's it! **Once you make this payment, you will have officially reserved your spot and booked the trip!**

You will receive email confirmation of your booking/payment.

If you selected the Standard payment option, you will receive a PayPal Money Request via email requesting payment of the remaining balance.
